NO SHORTAGE OF ARROWS

In this day of torrid debate about the inconveniences caused by shortages laid at the door of the O.P.A., it is indeed gratifying to find that there is one field which seemingly has been left untouched by such ravages. We refer to those arrows which are propelled by one Daniel Cupid. Of late his aim has been deadly around REA. The latest exploit occurred last Friday evening at the Washington Street Methodist Church in Alexandria when Ann Leachman, sister of Gay who is John Asher's secretary, became the bride of Jack "Jay" Lyles, one of Alexandria's foremost florists. The happy couple were married in a beautiful candlelight service in the presence of many of their REA friends and are now honeymooning on the West Coast. Good Luck Ann!

GIRL ALL-STARS HAVE A NEW HELPER

Sorry boys but you're too late. We know you had it in mind to volunteer your services to the girls All Star Softball team but you let the opportunity pass. Now you still have a chance to be of some help to our "fascinating femmes" by putting in an appearance on Tuesday at 6 p.m. - Diamond #5, 15th and Constitution - when the gals take the field with that old "do or die" REA spirit".
